

Dietary Manager On-line Training

All Inclusive • Anytime • Anywhere

Become a Dietary Manager in Just 4 to 12 Months!

LOMA LINDA UNIVERSITY
School of Public Health

Loma Linda University and Nutricopia™ (formerly HM Composite) have partnered to offer a self-paced, on-line dietary manager training

program. Upon completion students are eligible for the DMA Credentialing Exam.

- Learn at your own pace, at your convenience
- Web-based on-line program
- Work from any computer at home or work
- Listen to lectures and follow along with PowerPoint (Explains material - not just reading a textbook)
- Instruction provided by Nutricopia Registered Dietitians
- Conduct field assignments at your facility means no travel time to other locations
- On-line preceptor provided at no additional charge by Nutricopia long-term-care expert Registered Dietitians

- DMA approved content and textbooks assures learning of DMA curriculum preparing you for CDM exam
- On-line quizzes provide instant learning feedback as you prepare for DMA exam
- DMA student membership is included with your registration
- Meets California Title 22 regulations
- Learn from your peers with web-based interactive discussions
